Step	Do this now	Completion check	Stop / escalate when
1	Confirm this copy is current: check the module ID (04) and REV date on the cover.	Module ID and REV noted on the working copy.	If the REV predates 2026-09-22, replace this copy before use.
2	Work through the How to Use This Binder section against your household's actual people, conditions, and equipment.	Section completed with household-specific entries; gaps flagged.	If a required capability is missing, flag it in the binder and resolve before the next drill.
3	Record completion, date, and any deviations in the working binder; schedule the next review.	Binder entry dated and filed.	If the household situation changes, re-run the guide.

PURPOSE AND ACTIVATION

Purpose: This binder is a structured offline reference for household continuity during prolonged disruption. Store a printed copy in a known location and maintain a second copy in a separate secure location. Do not rely on a cloud account for access.

Activation triggers: utility failure, evacuation order, sudden service uncertainty, or a planned verification drill. This module is usable on its own; linked module IDs preserve the shared decision order from the master index.

SAFETY BOUNDARIES

WARNING - MODULE LIMITS

Do not perform medical, electrical, or structural procedures beyond this guide's stated limits. When in doubt, stop and consult qualified professionals. This guide is a preparedness aid, not a guarantee of safety. Follow current instructions from local emergency management and authorities.

- This module directs specific actions; those actions carry the safety limits stated above. Do not improvise beyond them.
- Use nonviolent de-escalation and withdrawal as the primary security response.
- If conditions exceed the household's capability, escalate to professional responders.
